WORK EXPERIENCE

7 King Codes

Android & Flutter Developer | DHA Phase 8 Lahore, Pakistan | April 2025- Present

- Developing production apps using Kotlin, Flutter, Firebase, REST APIs, MVVM, Room, and Google Maps
- Implementing API integration, error handling, and scalable data flow architecture
- Managing multiple apps, ensuring stability, code quality, and smooth feature releases
- Optimized app performance, reducing load time by 40%+ across several projects

Grape Technology

Android Development (Junior) | Giga Mall, Islamabad | May 2024- March 2025

- Developed and maintained apps, ensuring optimal performance and user experience. Work on annotation on PDF page, Highlight Text, Add Text in PDF, Watermarke, and also work on Merge PDF and Split PDF modules.
- Built feature-rich PDF Editor and DashCam applications from scratch
- Implemented Coroutines, OSMdroid, Natario camera library, Room DB
- Integrated real-time location tracking and speedometer features.

AppTrick Technology

Android Development (Internship) | Shamsabad, Rawailpindi | Jan 2023- Aug 2023

- Developed and maintained app Using Kotlin Language. Build complete application. Work on CameraX and OSMdroid Map. Use RoomDatabase to store data History. Intergrate CameraX and Natario For Capturing Video and Snapshots. Designed Speedoeter Speed Accelerater. Ensure UI/UX responsiveness and code quality.

LIVE APPS & PROJECTS (GOOGLE PLAY STORE)

- **PDF Creator & Editor — 3M+ downloads**
- **Buksh Apps Portfolio — 1M+ & 4M+ downloads combined**
- **Jobs Shopper — 5K+ downloads**
- **Quran App, Gym & Fitness Trainer, DashCam Speedometer (internal releases)**

SKILLS

- Languages/Frameworks: Kotlin, Flutter/Dart
- Tools: Android Studio, Visual Studio Code, Figma, Postman
- Architecture: MVVM, Clean Architecture
- Databases: Room DB
- APIs: REST API Integration
- State & Async: Coroutines, Flow
- Version Control: Git (GitHub/GitLab)

ACADEMIC HISTORY

Federal Urdu University of Arts, Science & Technology (FUUAST), Islamabad

Bachelor of Science in Computer Science (BS CS)
2019 – 2023

Govt. Inter College G.T Road, Jhelum

Intermediate in Computer Science (ICS)
2017 – 2019
